## Next steps

- Filling out this form is the first step in the process of getting an apartment unit in a SIRCAAQ project.
- You will receive an acknowledgement of receipt when we receive your application for housing. Our liaison officer will contact you to ensure that we have all the necessary documents for the analysis of the admissibility and admissibility of your application.
- Applications will then be presented to a selection committee and you will receive a notification if your application is on our eligibility list.
- PLEASE NOTE: Filing an application for an apartment unit does not automatically mean you will be accepted.
