

## Notice of Appointment

Tanya Sirois, Executive Director of the Regroupement des centres d'amitié autochtones du Québec (RCAAQ), is pleased to announce the appointment of William Bilodeau as Director of Community Mobilization for Living Environments.

A member of the Huron-Wendat Nation of Wendake, William Bilodeau joined the Native Friendship Centre Movement in 2023. With an excellent sense of listening, he also serves as Chair of the Committee for the Improvement of Practices in Indigenous Contexts at the Ordre des ergothérapeutes du Québec. In his new role, which represents a new position within the RCAAQ, he will be responsible for defining, planning, and implementing actions aimed at improving the well-being of Indigenous populations and their families residing in the community-based living environments of the Société immobilière du Regroupement des centres d'amitié autochtones du Québec. William's commitment, determination, and dedication contribute to the prominence of the Native Friendship Centre Movement.
